Gents:

This morning Mr: Sampson called on me, and amongst other things gave me the December copy of the "Numismata" and seeing you advertise yourself as "Importers of Ancient Greek and Roman Coins" I would ask you to send me a small lot on approval, with price for each seperate coin. I prefer 1st & 2d bronze of the Byzantian (A.D 350-450) period. Mr Cavallerie has sent me a few, but his stock must be very small to judge from what he sent.

I have some American Colonial pieces which I would like to exchange for 1st & 2d Bronze Roman coins. Do you make such exchanges?

Hoping to hear from you

Very truly Yours
